MEDIA KIT

## WALLY THE AIRSTREAM

Wally the Airstream is a 1959 Airstream Ambassador LandYacht. We are in the process of updating Wally's systems, furnishings, and decor. Bringing a 59 year old legend back to glory is our passion and goal.

## ABOUT THE WRITERS

Kyle Acker and Jackie Larson are writers and flippers. After flipping two homes they elected to take on a project of a more mobile variety and restore it to perfection! Follow their progress at [www.wallytheairstream.com](http://www.wallytheairstream.com)

## SUPPLY PARTNERSHIP

We are looking for supply partnerships for outfitting Wally the Airstream. In exchange we will write, promote, and review your products and share those thoughts with a knowledgeable and accomplished user base.
